

STUDENT SUPPLY LIST:

Regular Supplies: Due to the unique career courses offered at MCTC, a school-wide supply list will not be published. Please bring a spiral notebook and pen/pencil the first day of school. Teachers will inform students about supplies needed for each class.

Special Supplies/Fees: Costs or fees are associated with some CTE courses. Specifics are provided by the course instructor at the Orientation in May for students accepted into Miller for the fall. Optional Career & Technical Student Organization (CTSO) fees will also be discussed at Orientation and when school begins.
