

# **Benefits Information Meetings**

**Benefits information meetings are held throughout the year at the ESC. To view the schedule and register for a meeting, go to the Risk Management website by logging on to [www.katyisd.org](http://www.katyisd.org), click on District, then click on Departments. Go down to Operations Division, then to Insurance/Risk Management. Once you are in the Risk Management website, click on Employee Benefits and then Register for New Hire Benefits Meetings. Please note that to login to the Registration System, you will need to create a login. It is not your Katy ISD login.**
