

The Robert R. Shaw Center for STEAM *presents*

STEAM TIME MACHINE

For students entering
4th or 5th grade in
Fall 2020!

June 15th - June 18th—8am-1pm—\$110 fee

Registration/payment must be completed by **June 14th** to ensure enrollment of your child in the Shaw Center “STEAM TIME MACHINE”; waitlisted students will be notified of open spots on June 15th. Thank you!

“STEAM TIME MACHINE” Summer Camp

- ◇ All students will design, test, and modify their own bottle cars “time machines.”
- ◇ Students rotate through STEAM (Science-Technology-Engineering-Arts-Math) activity choices, such as Sphero Martian Landscapes, Air Tunnel parachutes, and Hot Air balloons
- ◇ Students will have access to the workshop space, tools, technology, and Shaw center support staff while exploring new concepts through hands-on inquiry.
- ◇ While exploring STEAM activities, students will be given first-hand experience with science and math concepts to support learning during 4th-6th grades in KISD.
- ◇ 80 students will be invited to attend the Shaw Center elementary summer camp.

REGISTRATION INFO:

- Registration is at the website <https://katyisd.revtrak.net/>
- Contact Steve Adams at stephencadams@katyisd.org to with questions you have.
