

General Project Information

Elementary School #42

Project: New Elementary School in the vicinity of LUZ 11B/23C

Project Description: Prototype elementary school designed for 1,030 students in the northwest quadrant of the District in the vicinity of LUZ 11B/23C.

Project Priority: 1

Background & Justification: Growth in the northwest quadrant of the District continues on an annual basis. Construction of this facility will provide relief to existing campuses that currently house students in surrounding attendance boundaries.
