

# General Project Information

## Buses

Project: Buses

Project Description: Replacement of older buses to reduce maintenance and fuel costs, ensure safety, and accommodate District growth.

Project Priority: 1

### Background & Justification:

- Safety;
- Continuing replacement of older buses (16 year replacement cycle);
- Average retirement age nationally is 16 years (*School Bus Fleet, 2017*);
- Reduce maintenance and fuel costs;
- Accommodate for District growth.
