

Katy ISD Prekindergarten Attendance Zones 2021 - 2022

The lists below indicate the prekindergarten attendance zones for the 2021 - 2022 school year. Enrollment at a particular campus is subject to the attendance zone guidelines and space availability. Students who qualify for the prekindergarten program will attend their zoned prekindergarten campus unless the campus no longer has space. Students who qualify for the bilingual program attend campuses on the Bilingual Students list. All other prekindergarten students attend campuses on the ESL/Income/Military/DFPS/Star of Texas Students list. The District will offer students the opportunity to attend a different campus if their zoned campus is full.
