

Directory Information

1. What information does Katy ISD consider “directory information?”

Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want Katy ISD to disclose directory information from your child’s education records without prior written consent, you must notify the district in writing within two weeks of enrollment. Katy ISD has designated the following information as directory information:

- Student name
- Primary telephone listing
- Most recent educational institution attended
- Honors and awards received
- Address
- Photograph
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams.
- Grade level
- Dates of school attendance

2. Is directory information confidential?

Directory information on a student, as defined above, is not confidential unless a parent/guardian indicates that it should be made so. This is the reason that parents/guardians are asked to select a privacy code at the beginning of each school year. The privacy code chosen informs the District as to what, if any, directory information about a child is to be released.

3. What are the privacy code options from which a parent/guardian can choose?

There are three privacy codes from which a parent/guardian may choose: Y - Yes, O - Other, and N - No. **Parents who do not fully register through Power School will default to the “N - No” code.** Please refer to the chart for the implications of each code.

Privacy Code Selections and Implications	“Y” Yes	“O” Other	“N” No
School-Confined Publications	YES	YES	NO
Programs for Performances	YES	YES	NO
Yearbook (name and individual, class or candid pictures)	YES	YES	NO

4. Under what circumstances may directory information be released?

Katy ISD is required to provide information to any member of the public who asks for it under the Texas Public Information Act unless the parent selects a privacy code of “N - No” or “O - Other.”

5. Is a privacy code selection confidential?

Yes. A privacy code selection made by a parent/guardian is confidential and is only released to employees who have a legitimate need to know, under the law.

6. Is it possible for a parent/guardian to change their student’s privacy code during the course of the year?

Parents/guardians do have a right to change their student’s privacy code. However, it is not recommended that parents/guardians change their student’s privacy code after the school year has started because most campuses have a process in place whereby teachers are expected to become knowledgeable about the privacy codes of their individual students so that they can adhere to these codes consistently. Additionally, the District has no ability to recall information that was released prior to a change of code.

7. How can a parent/guardian prevent their student’s directory information from being released to an outside third-party?

Katy ISD, as stated previously, is required to provide information to any member of the public who asks for it under the Texas Public Information Act unless the parent selects a privacy code of “N - No” or “O - Other.”

8. Why do parents/guardians have to designate a separate choice for military recruiters and institutions of higher learning?

Federal law requires districts receiving assistance under the Elementary and Secondary Education Act of 1965 (20 USC Section 6301 et seq.) to provide a military recruiter or institution of higher education, on request, with the name, address, and telephone number of a secondary student unless the parent has advised the district that the parent does not want the student’s information disclosed without the parent’s prior written consent. If a parent decides to opt out of directory information being released to the military or institutions of higher learning, their student’s address, and telephone number is confidential and will not be released. This code may not be split to allow only military recruiters or institutions of higher education access but not the other. This selection is treated separately from the “Y,” “N,” and “O” code chosen for directory information purposes.

Military/Higher Education Opt Out - Secondary Students Only	Opt In	Opt Out
Shared with Military Recruiters or Institutions of Higher Learning	YES	NO
