

MyKaty Cloud: Elementary Student Applications

Within **MyKaty Cloud** elementary students will have access to numerous applications using only their user name and password.

Elementary Tiles

The elementary tab, located on the menu bar, allows students to access elementary applications. To navigate through the menu bar, hover and click on **Elementary**. You may have additional Elementary tabs depending on your tile settings.

The following **applications** are available to elementary students. To access, click on the desired tile and you will be redirected to the program/website.

Corner Indicator Tiles

Corner indicator tiles are those that have automatic logins and/or do not require users to login. These include:

- Benchmark Education
- BrainPop
- BrainPop Jr.
- BrainPop Espanol
- Britannica Image Quest
- Canvas
- Digital Citizenship
- Discovery Education
- Google Drive
- Katy ISD Home Page
- My Files
- Technology Support Locker
- Wordle

MyKaty Cloud: Elementary Student Applications

Productivity Tab

Within the Productivity tab, students can click the **webStorage** icon to access their My Documents, Campus S Drive, and R Drive.
